

RYAN PFLAUM

Industrial Design

EXPERIENCE

Design Museum Everywhere

Museum | Boston, MA | Sep 2019 – Present

Responsible for designing exhibits, experiences, and digital presence to further the museum's mission to bring the transformative power of design everywhere. Design and build touring exhibitions for a variety of spaces in Boston and Portland. Produce and direct a weekly podcast. Support in the planning and executing of physical and virtual events.

ECCO Design

Consultancy | New York, NY | Aug – Dec 2018

Developed physical and digital products from concept to engineering and manufacturing as a member of a small consultancy team working on a variety of projects with a focus on IoT and startups. Responsibilities included ideation, CAD modeling, prototyping, rendering, and web design.

Moixa

Solar, IoT Technology | London, UK | Jan – May 2018

Lead designer building UI/UX for a growing company by working with stakeholders to build functional UI prototypes to create cross-platform apps. Collaborated with developers to build scalable UI, including the necessary programs and processes for current and future international audiences. Facilitated manufacturing prep and the creation of CAD drawings.

Hellman-Chang

Luxury Furniture | New York, NY | Apr – Aug 2017

Upheld the visual language for the full suite of luxury furniture, alongside working in other areas of the design business. Primary responsibilities included product photography and editing, product customization, and new product development.

Symmons

Faucets & Fixtures | Boston, MA | Aug – Dec 2016

Supported a multi-disciplinary design team in research, ideation, 3D modeling and rendering. Daily tasks included concept modeling, renderings, design development, and 3D printing.

WestRock

Packaging & Displays | Baltimore, MD | Jan – Apr 2016

Collaborated with the Design and Marketing teams on merchandise displays. Prepared final designs for production in conjunction with Manufacturing on projects with rapid turnaround times and required attention to detail.
